

The GoNano Online Conference on Responsiveness to Societal Needs and Values in Nanotechnologies and Beyond – CONCEPT PROGRAMME

SESSION 1 - 29 OCTOBER 2020 AT 1-4 PM CET

THE GONANO EXPERIENCE: INCLUSIVENESS AND ENGAGEMENT

OPENING *Outcomes and recommendations for strengthening co-creation moving from H2020 towards HorizonEurope*

Lise Bitsch, PhD, GoNano Coordinator and Senior Project Manager, The Danish Board of Technology Foundation

Nicholas Deliyanakis, DPhil, Head of Sector, Economic and Social Transitions, European Commission, DG Research & Innovation

Hosted by The Danish Board of Technology

GENDER AND DIVERSITY IN RESEARCH AND INNOVATION

TALK *Experiences with introducing reflections on gender and diversity in co-creation exercises*

To be confirmed

Hosted by The European Institute of Women's Health

THE GoNANO ONLINE CONFERENCE ON RESPONSIVENESS TO SOCIETAL NEEDS AND VALUES IN NANOTECHNOLOGIES AND BEYOND – CONCEPT PROGRAMME

SESSION 2 – 5 NOVEMBER 2020 AT 1-4 PM CET

EXPERIENCES AND TESTIMONIALS FROM CITIZENS, RESEARCH AND OTHER STAKEHOLDERS TAKING PART IN THE GONANO PILOTS

INTERVIEWS *The GoNano pilot partners and involved stakeholders share their experiences with the co-creation process*

👤 To be confirmed

Hosted by RMIT Europe, De Proeffabriek, Technology Centre CAS and University of Twente

SESSION 3 – 12 NOVEMBER 2020 AT 1-4 PM CET

SUPPORTING AND PRACTICING RESPONSIVENESS TO SOCIETAL NEEDS AND VALUES IN RESEARCH AND INNOVATION

ROUND TABLE *Presentation of the GoNano White Papers and discussion on societal engagement embeddedness in research and innovation, challenges, and policy recommendations with a point of departure in experiences from European Technology Platforms and Networks*

👤 **Nicholas Deliyankis**, DPhil, Head of Sector, Economic and Social Transitions, European Commission, DG Research & Innovation

👤 **Ana Maria Rincon**, PhD, Senior Scientific Officer, FIP Unit / Repro Department, European Food and Safety Authority

👤 **TBC**, Unit F4 – Materials for Tomorrow, European Commission, DG Research & Innovation

👤 **Wim Sinke**, PhD, Principal Scientist Solar Energy, TNO Energy Transition, and on the GoNano Advisory Panel

👤 **Andrej Kobe**, Policy Officer – Sustainable Chemicals, European Commission, DG Environment

👤 **TBC**, Nanopharma

Hosted by The Danish Board of Technology

WORKING WITH SOCIETAL ENGAGEMENT AND CO-CREATION IN H2020-PROJECTS AND BEYOND

PERSPECTIVES *Lessons learned in H2020 on societal engagement and Responsible Research and Innovation*

👤 **Kutoma J. Wakunuma**, PhD, Associate Professor, School of Computer Science and Informatics, De Montfort University

👤 **Ditte Degnbol**, PhD, [RiConfigure](#) Coordinator and Senior Project Manager, The Danish Board of Technology Foundation

👤 **Carmen Fenollosa**, [SISCODE](#) Partner and Senior Project Manager, Ecsite

👤 **Robert Braun**, PhD, [NewHoRRizon](#) partner and Senior Researcher, Techno-Science & Societal Transformation, Institute for Advanced Studies

Hosted by Oslo Metropolitan University
